EXCERCISES

CHAPTER 4

SEAN LI [1]

1. Reducted

Problem

(4.1)   Give a complete tree diagram of the derivation in section 4.5 (95)

Solution.

```
                    conclusion (from O-App) (15)
                     /                    \
                abst (14)                var (15)
              /          \
       form (13)          form (12)
       /       \           /        \
weak (10)   weak (10)   var (11)    var (11)
from sort(1) from sort(1)  |           |
                       weak (10)    weak (10)
                      from sort(1)  from sort(1)
```
